Pitcher Jamison Joins the Ronnoke Club at Handsome Salary—Others Science and endurance will decide the great mat battle at Broad Street Mountain League has lost three Science and endurance will decide the great mat battle at Broad Street Park next Thursday night, when "Strangler" Lewis and Yousoc Hussame will meet in a finish wresting match. Both grapplers are known for their speed and science on the mat, and "The Terrible Turk" known as the roughest heavyweight of them all. The wiseaeres of the mat game think Hussame is possessed of more of the finer points of the game than his more youthful opponent. Lewis think differently, and the fans hereabouts know his ability, for he has shown to their satisfaction that he has more mat tricks than the wonderful Roller.

The Kentucky boy may be depended upon to take care of himself at every stage of the contest. Town taik Justinow is this match, and the real wrestling crities are picking the Turk as the better ring generalship and will be enabled to wear Ed out. No matter who wins this mill, the fams are assured of a fast and scientific bout all the way through.

Aside from the gate receipts, the winner to take all, the winner will meet Roller, in all probability, for the doctor cannot put this off any longer, and he will be compelled to meet the winner. The heavy weight elimination contests in Richmond and throughout the country have sifted down to these men, all of whom have a chance to be declared the world's champion—Zybsz. Ko. Gotch, Hussame, Americus, Roller, Lewis, Costello, the Italian, and Hais Lehner, the Tyrolean, a new one who looks extremely dangerous.

LATIMORE CONVICTED

Assailant of Edward Wade Has Been
Twice in Lunatic Asylum.
Charles Latimore, thirty-four years old, charged with shooting Edward Wade in the arm with a rifle, was adjudged guilty of malicious wounding by the Hustings Court jury yesterday, and sentenced to pay a fine of \$5 and serve twelve months in jail. It was brought out during the trial that Latimore has twice been confined in an asylum as a lunatic.

The shooting occurred when Wade called upon Latimore to secure an explanation from him for an improper letter which he had addressed to his mother. While the letter violated no rule of deceny, it was a sentimental missive, addressed to a woman who was married and a mother, and her son demanded an explanation. Latimore, it is charged, ordered him away, and when he refused to go shot him. Christo Constantinedes pleaded guilty to the charge of selling liquor without a license, and was sentenced by Judge Richardson to pay a fine of \$199 and costs, and to give a bond for \$500 for twelve months as a guarantee of good behavior.

The Council Committee on Advertising and Enterprises voted last night to appropriate \$250 to aid in the entertainment of the State Pharmaceutical Association, which meets in this gity next September. Councilman Rogers, alone, voted against the appropriation, holding the opinion that it was bad policy for the committee to spend money in entertaining State conventions.

When a motion to appropriate \$250 for this purpose was made at the last meeting of the committee by Alderman Mitchell, it was defeated. President Adams, of the Board of Alderman, at that meeting took the stand adopted last night by Mr. Rogers, that the funds at the committee's disposal were intended primarily for advertising outside the State with the idea of attracting to this city new capital and new industries.

In voting last night for Mr. Mitchell's amended motion providing for an appropriation of \$260. Councilman Ratcliffe served notice that it was the last time he intended to vote for an appropriation for a State convention.
